

At River City Events we have your safety top of mind and have increased our safety protocols. A number of the safe operations we have implemented in response to COVID-19 are as follows:

- We have contactless drive-up service that lets our clients pick up and return their rental items without entering our building. We are also offering a discount of 20% for rental items that our clients pick up and drop off.
- All returned rental items are disinfected by using the UltraMist Sanitizing Fogger that is 100% biodegradable, non-corrosive, and kills 99.99% of viruses, bacteria and molds. The solution is FDA approved in Canada with DIN number 02362546 and approved by Health Canada to kill the Corona Virus. To learn more, to purchase and/or rent the UltraMist Sanitizing Fogger please contact our offices at 780-424-6001.
- Our Transportation Team maintain safe social distancing at customer sites and wear a mask when a safe distance is not achievable.
- Customers can browse all rental items through our website www.rivercityevents.ca and submit a quote for a contactless transactional experience.
- All visitors are asked to wear a mask when entering our building and completing a COVID-19 Questionnaire.
- All visitors and employees are required to follow proper social distance protocols while in our building.
- All our team members complete a Fit for Work Questionnaire and takes their temperatures upon entering our building for all shifts
