

Event Sponsorship Application

You're Having An Event, Tell Us All About It!

We love to get involved with local events, charities, and support our community. As a company that's sole purpose is to support events, one can only imagine how many requests we receive for sponsorship. This form will help us to evaluate each opportunity, and determine the level of sponsorship available for your event.

Please print and fill out this sheet in all the applicable fields and return it to info@rivercityevents.ca or fax to 780 424 6043
